

NATIONAL BOARD OF
ECHOCARDIOGRAPHY

***NEW* NBE's Educational Grant for Echocardiography Examinations**

NBE is pleased to announce a new educational grant for echocardiography examinations!

Grant Description

The program will provide 5 (five) grants per examination (CCEeXAM, ASCeXAM, Advanced PTEeXAM, Basic PTEeXAM) to first-time candidates taking one of the initial examinations for the first time.

Award recipients will be required to submit payment receipts to receive reimbursement for the cost of examination registration. Please note grants given for the Basic PTEeXAM are given every other year. ***The Basic PTEeXAM will be given in 2024. Deadline to apply June 6, 2023.***

If your application is accepted, grant monies will be awarded after examinations are taken.

Grant Eligibility

Eligible recipients are first-time examination takers who have been involved in community programs, are advocates for the under-served patients, and/or have a plan or a vision regarding application of their ultrasound training in the community. Applicants will complete a brief survey and submit a curriculum vitae (CV).

Application Review

The grant applications will be adjudicated by an NBE Grant Committee.

Note *We are accepting grant applications for United States and Canadian residents only.*
