### **NBE Account Access**

As a result of the information technology enhancement, your e-mail username will no longer be valid because the new system will require you to utilize your 8-digit customer ID number as your username.

Your customer ID number and a new password will need to be created to access your account. Your customer ID was automatically generated when NBE underwent the technology upgrade.

**\*Note\*** *If you have an existing account, please do not create a new profile.*

Please [click here](#) for assistance to log into your account. If you are creating a new account, please [click here](#).

Once you update your account, you will be able to register for examinations.
