**Examination Administration Grievance Policy –
Within 3 days after the exam administration. See page 7 for more details.**

Introduction

National Board of Echocardiography, Inc.®

The National Board of Echocardiography, Inc.® (NBE) was formed in December 1996. The NBE is a not-for-profit corporation initially established to develop the ASCeXAM, and subsequently has responded to the following additional needs:

- develop and administer an examination in the field of Critical Care Echocardiography,
- recognize those physicians who successfully complete the Examination of Special Competence in Critical Care Echocardiography (CCEeXAM), and
- develop a board certification process that will publicly recognize Diplomates of the National Board of Echocardiography, Inc.®. Those physicians who have completed training programs or significant practice experience in critical care echocardiography, as specified in this application and have additionally passed the CCEeXAM* (see page 6).

The examination and board certification in critical care echocardiography is not intended to restrict the practice of echocardiography. The process is undertaken, rather, in the belief that the public desires an indication from the profession regarding those who have made the effort to optimize their skill in the performance and interpretation of critical care echocardiography.

The first examination in Critical Care Echocardiography was a collaborative effort between the National Board of Echocardiography, Inc.® and nine other societies. The first administration of the CCEeXAM was in January 2019. Physicians who successfully passed the exam were granted as having successfully completed the CCEeXAM with a status of Testamur.

Eligibility

CCEeXAM

Candidates for the CCEeXAM must provide proof that they can practice medicine (MD, DO, MBBS, etc.). Please see the examination eligibility requirements below:

North American Trained Physicians must submit **ONE** of the following:

- A valid (unexpired) license to practice medicine with expiration date
 - Training or temporary licenses with valid expiration dates are accepted
- Letter of Good Standing from ACGME Accredited program director
 - Letter must be on official letterhead, be signed by director and be notarized.
 - See Sample Letter of Good Standing [here](#).

Non-North American Trained Physicians must submit **ONE** of the following:

- A valid (unexpired) license to practice medicine with expiration date
- If your license does not contain an expiration date, you will need **ONE** of the following:
- An original letter from the Medical Council stating your license is permanent
 - OR
 - An original certificate of good standing dated no more than 12 months prior to date application received.

All documentation must be supplied in English. If original documentation is not in English, a certified translation must be attached to each document. The examinee will be responsible for all costs associated with certified translation. Please allow yourself appropriate time if you need to obtain your medical license from a third party or translation is necessary.

NOTE: Only a copy of the Applicant's current proof to practice medicine or a letter from current program director, completed application, and application fee are required in order to sit for the CCEeXAM. Documentation for certification is not required when registering to take the CCEeXAM, however, you may submit your certification documentation at any time after applying for your exam.

Testamur Status

For licensed physicians not meeting the criteria for certification, the NBE will continue to allow access to the examination. This is to encourage physicians to test and demonstrate their knowledge of echocardiography based on an objective standard and to allow the medical community the opportunity to recognize individuals who elect to participate in and successfully complete a comprehensive examination in echocardiography. Those who successfully pass the examination, but do not fulfill the necessary criteria for certification, will continue to be designated as "Testamur" of the National Board of Echocardiography.

Maintenance of Testamur Status

Beginning in July 2024, candidates who pass the initial CCEeXAM MUST enroll and participate in Maintenance of Testamur in Echocardiography (MOTE) the following January to maintain their status. There will be no cost for the first year. Starting the second calendar year, you must pay the annual 85 USD fee and complete MOTe requirements by December 31st annually. Please visit <https://www.echoboards.org/MOTE> for more details.

Certification

Licensed physicians who meet the criteria for certification may apply for certification at any time. All required documentation needs to be uploaded via the online NBE certification process, but is not required to register for the Critical Care Echocardiography examination (CCEeXAM).

The Certification Committee will meet to review applications for certification. Applicants will be notified in writing of the decision of the Committee. Review of application for certification will be contingent on successful completion of the Critical Care Echocardiography examination (CCEeXAM) (see page 6). Applicants will receive notification of the decision of the Committee within the year.

Deadlines and Cancellation Details

Registration Fee and Refund/Cancellation Deadline

Registration Fee:
1,295 USD

Refund/Cancellation Deadline:
Tuesday, January 12, 2027 *before* 5:00 PM EST

IMPORTANT!
Registration will end promptly at 11:59 PM EST on Tuesday, December 22, 2026.
*** No exceptions will be made. ***

Submitting Applications

Please visit www.echoboards.org to complete the online registration.

If you have any questions, please contact NBE for assistance. Our information is below.

To contact our office:

Phone: (919) 861-5582

E-mail: info@echoboards.org

Website: www.echoboards.org

Confirmation of Receipt of Application

It is recommended that you submit your online registration as early as possible. Registrations will be verified and completed in the order in which they are submitted. We will make every effort to accommodate as many candidates as possible. Registrations that are incomplete, or do not include payment will not be processed.

You will receive a confirmation email from NBE once your medical license or letter of good standing has been received and verified. Please allow 2-6 weeks after submission of your online registration and payment for this to be completed. **A valid e-mail address is required for confirmation.**

Refund/Cancellation Policy

Candidates who wish to cancel/withdraw their registration and receive a partial refund (exam fee paid minus 200 USD) MUST submit a written request to cancel/withdraw via email to examination@echoboards.org *before* 5:00 PM EST on Tuesday, January 26, 2027.

Any requests received after this deadline will not be processed.

Deferments are no longer an option. We apologize for any inconvenience.

NOTICE

It is **REQUIRED** to provide NBE with a copy of your appointment cancellation from Pearson prior to receiving a refund.

IMPORTANT!

Please remember to enter your name on the application in the SAME way as it appears on the unexpired, photo-bearing, signed, government-issued identification you will be using at the Pearson testing center. The name you provide on the application will be used to create the Authorization to Test (ATT). Discrepancies in your first and last names will cause you to be denied admittance to the examination. Middle name(s) or initial(s) are not verified at the test center on exam day.

Examination Information

Examination Date

Tuesday, January 26, 2027

Pearson VUE Testing Center Information

In-person examinations are administered at Pearson Testing Centers globally. All Pearson Testing Centers are setup similarly. This not only helps enhance security, but also provides uniformity for all candidates. Workstations at all Pearson test centers available to host the NBE examinations conform to Board-approved specifications.

Visit www.pearsonvue.com/nbe to search for Testing Centers by location.

Please see page 7 for Exam and Test Center Policies and Procedures.

OnVUE, Pearson's Online Proctored Platform

NBE now offers Pearson OnVUE for all exams.

Candidates may choose remote testing through Pearson OnVUE®, Pearson's secure online proctoring platform, as an alternative to in-person testing. To learn more and review system requirements, visit here (<https://www.pearsonvue.com/us/en/test-takers/onvue-online-proctoring.html>)

Candidates are encouraged to submit registrations early. Candidates will not be able to schedule their test until their registration is complete and their Authorization to Test (ATT) notification has been received.

Determination of a Passing Score

The passing score is based on an expected level of knowledge in echocardiography; therefore candidates are not measured against each other, but rather against the minimal level of knowledge established by the NBE.

All candidates will receive an emailed score report that indicates the minimum score required to pass the examination. The score reports also list the examinee's performance on each of the main areas of the examination. Total score and performance scores for each section of the examination will be reported only to the examinee.

A list including candidates who pass the exam, year that exam was passed, city and state, along with level of certification will be posted on the NBE website.

RESULTS WILL NOT BE GIVEN OVER THE TELEPHONE, VIA EMAIL, OR VIA FAX.

Frequently Asked Questions

Please visit our website at www.echoboards.org for answers to frequently asked questions and a content outline. Sample letters to document education and experience in the required format are also available to download.

Notification of Change of Mailing Address or Email

Please notify the NBE immediately if your mailing and/or email address has changed since applying for the CCEeXAM. Email is NBE's preferred method of communication; therefore, failure to do so will cause delay in receiving correspondence from the NBE. You may submit your change of address on our website at www.echoboards.org.

Special Accommodations

NBE will provide, upon approved request, reasonable accommodations necessary to afford an individual with a documented disability an equal opportunity to participate in the CCEeXAM. Nursing and/or pumping accommodations are also available by special request and should be submitted in advance for review and approval. Documentation from your treating physician or lactation consultant is required.

To support a request for special accommodations, please provide an original letter signed by the candidate and an evaluator, qualified psychologist, physician, or other health care professional who specializes in the stated disability. Documentation for nursing and pumping accommodations may be provided by an appropriate health care professional, when applicable.

The documentation must:

- Be current (completed within the last five years)
- Clearly state the diagnosed disability or disabilities
- Describe the functional limitations resulting from the disability
- Describe the specific accommodations requested and the rationale for such accommodations
- Be typed or printed on official letterhead and signed by the evaluator qualified to make the diagnosis
- Include example, when possible, of where special accommodations have been requested and granted. If no prior accommodations have been provided, the evaluator, psychologist, physician, or health care professional should include a detailed explanation as to why no accommodations were given in the past and why the accommodations are needed now.

The purpose of the documentation is to validate that the candidate is covered under the ADA as a disabled individual. Additional documentation may be required to support the request. All documentation submitted in support of a request for special accommodations will be kept confidential.

Requests for special accommodation must be received at NBE headquarters ***before* December 22, 2026.**

(continued on next page)

Examination Information (continued)

CCEeXAM Content Outline

- 01 Functional Anatomy**
 - 01.A Left ventricle**
 - 01.A.01 Systolic function (qualitative, quantitative)
 - 01.A.02 Diastolic function
 - 01.A.03 LV chamber quantification
 - 01.A.04 Masses/thrombi
 - 01.A.05 Cardiomyopathies
 - 01.B Right ventricle**
 - 01.B.01 RV chamber quantification
 - 01.B.02 Function
 - 01.B.03 Estimated right heart pressure
 - 01.C Atria**
 - 01.C.01 Chamber quantification
 - 01.C.02 Atrial septum
 - 01.C.03 Masses/thrombi
 - 01.C.04 Atrial septal defect
 - 01.C.05 Patent foramen ovale
 - 01.D Valvular disease**
 - 01.D.01 Aortic
 - 01.D.02 Mitral
 - 01.D.03 Tricuspid
 - 01.D.04 Pulmonic
 - 01.D.05 Endocarditis
 - 01.D.06 Prosthetic valve disease/dysfunction
 - 01.E Pericardium**
 - 01.E.01 Pericardial effusion
 - 01.E.02 Constrictive pericarditis
 - 01.E.03 Hematoma
 - 01.F Great vessels**
 - 01.F.01 Aorta
 - 01.F.02 Pulmonary artery
 - 01.F.03 IVC and SVC
 - 01.G Devices and foreign bodies**
 - 01.G.01 Catheters
 - 01.G.02 Pacing wires
 - 01.G.03 Mechanical circulatory support
 - 01.H Intracardiac masses**
 - 01.H.01 Left ventricle
 - 01.H.02 Right Ventricle
 - 01.H.03 Atria
 - 01.I Adult congenital**
 - 01.I.01 Ventricular septal defect
 - 01.I.02 Bicuspid valve
 - 01.I.03 Persistent left superior vena cava
 - 01.I.04 Complex congenital heart disease
 - 01.J Normal variants**
- 02 Clinical Diagnosis and Management**
 - 02.A Shock**
 - 02.A.01 Obstructive
 - 02.A.02 Hypovolemic
 - 02.A.03 Distributive
 - 02.A.04 Cardiogenic
 - 02.B Volume assessment**
 - 02.B.01 Fluid responsiveness/tolerance
 - 02.B.02 Volume overload
 - 02.C Acute cardiovascular presentations**
 - 02.C.01 Myocardial infarction
 - 02.C.02 Regional wall motion abnormalities
 - 02.C.03 Pulmonary embolism
 - 02.C.04 Aortic dissection
 - 02.C.05 Valvular heart disease
 - 02.C.06 Cardiomyopathy
 - 02.C.07 Congenital heart disease
 - 02.D Trauma**
 - 02.D.01 Blunt
 - 02.D.02 Penetrating
 - 02.E Respiratory failure**
 - 02.E.01 Cardiac versus pulmonary
 - 02.E.02 Adverse effects of mechanical ventilation
 - 02.F Cardiac arrest**
 - 02.F.01 Etiology
 - 02.F.02 Outcomes/Prognosis
- 03 Technical Skills & Equipment Optimization**
 - 03.A Physics**
 - 03.A.01 2D ultrasonography
 - 03.A.02 Doppler ultrasonography
 - 03.A.03 M mode
 - 03.A.04 Enhanced cardiac ultrasound (contrast)
 - 03.B Artifacts**
 - 03.B.01 Reverberations
 - 03.B.02 Side lobe
 - 03.B.03 Mirror image/refraction
 - 03.B.04 Acoustic shadowing
 - 03.B.05 Aliasing
 - 03.B.06 Electrical interference
 - 03.C Image Acquisition and Optimization**
- 04 Integrated ultrasound imaging**
 - 04.A Lung and pleural**
 - 04.A.01 Postintubation assessment
 - 04.A.02 A line versus B line
 - 04.A.03 Pleural effusion
 - 04.A.04 ARDS
 - 04.A.05 Pneumonia with sepsis
 - 04.A.06 Pneumothorax
 - 04.B Vascular**
 - 04.B.01 DVT
 - 04.B.02 Arterial pathology
 - 04.C Abdominal**
 - 04.C.01 Evaluation for free fluid
 - 04.C.02 Evaluation for free air
 - 04.C.03 Gastric ultrasound

Reference Statement

NBE does not endorse or recommend any third-party review course or material. Any text in cardiovascular techniques and evaluation, cardiac patient care and management may be used. Current standards and guidelines endorsed by professional societies are also appropriate.

Exam and Test Center Policies and Procedures

Admission to the Test

You should arrive at the Pearson test center 30 minutes before your scheduled testing time on your testing date. If you arrive late, you may not be admitted. If you arrive more than 30 minutes after your scheduled testing time, you will not be admitted.

Please visit <https://home.pearsonvue.com/Test-takers/Resources.aspx> for Pearson exam day policies, procedures and test center expectations.

Testing Regulations and Rules of Conduct

Test center staff monitors all testing sessions for the examination. You must follow instructions of test center staff throughout the examination. Failure to do so may result in a determination of irregular behavior.

Test center staff are not authorized to answer questions from candidates regarding examination content, testing software, or scoring.

If staff observe you violating test administration rules or engaging in other forms of irregular behavior during the examination, the center staff will not necessarily tell you of the observation at the time of the examination. You may not bring any personal belongings in to the testing area. If you bring any personal belongings to the test center, you must store them in a designated locker outside the testing area. Personal items and their contents may be subject to inspection. Any materials that reasonably appear to be reproductions of any NBE examination materials will be confiscated. Making notes of any kind during the examination, except on the materials provided by the test center for this purpose, is not permitted. Removal of those materials from the secure testing area is prohibited.

For your examination, you may bring cordless soft-foam earplugs into the testing room. However, they must be out of the packaging and ready for inspection by test staff during check-in. Earplugs must be left at the workstation during all breaks.

Exam Administration

Occasionally issues arise in the creation, administration and scoring of examinations. For example, power failures, hardware and software problems, human error, or weather problems may interfere with some part of the examination process or delay the reporting of scores. When such problems arise, NBE may provide the affected candidates with an opportunity to take the examination at the next scheduled examination date. This shall be the candidate's sole remedy. NBE shall not be liable to any candidate for inconvenience, expense, or other damage, including administration, scoring of an examination, or delays in score reporting. In no circumstance will NBE reduce its standards or overturn the candidate's score as a means of correcting a problem in examination administration. Issues or problems arising during the administration of the examination must be reported to Pearson test center staff by the candidate experiencing the issue or problem at the time the exam is being administered and prior to the candidate departing the test center site on the day the examination is scheduled. Candidates must also notify NBE of any issues or problems with the administration of the examination within 48 hours of candidate's scheduled examination time.

In the rare event of a technical problem, testing software is designed to allow the test to restart at the point it was interrupted. In most cases, the test can be restarted at the point of interruption with no loss of testing time.

Exam Administration Grievance Policy

If you wish to file a grievance regarding the administration of your examination, you must submit, in writing via email, to examination@echoboards.org, a detailed description of the grievance(s) that occurred. You will have three (3) business days after completion of your NBE exam.

Confirmation of receipt of your exam grievance will be sent to you via email. NBE staff will review your submitted documentation and investigate your concerns within 7 to 10 business days. You may be contacted to provide additional information regarding your grievance. It may be necessary for your grievance to be forwarded to outside vendors which could take longer for review and resolution. You will be notified via email of the decision regarding your exam grievance once completed.

Approved NBE Exam Candidates

Upon the approval of an application, candidates are emailed an Authorization to Test (ATT) notification which will include your 1-day eligibility window to take the examination. The ATT provides instructions and details for scheduling your test date and location.

NBE's examinations are administered on only 1 day at over 230 Pearson Professional Centers (PPC) in the United States and US territories and over 3,000 Pearson Authorized Test Centers (PVTC) internationally. Examination site availability is provided when scheduling your examination with Pearson. Do not contact Pearson until you have received an Authorization to Test (ATT). Available sites may be viewed at www.pearsonvue.com/nbe.

IMPORTANT: While the NBE tries to accommodate location preferences, preferred testing sites are NOT guaranteed, and travel may be necessary.

Appointment Modifications

Modifications (reschedule/cancel) to scheduled exam appointments MUST be made no less than a full 48 hours before the appointment time. Exam appointments cannot be modified less than 48 hours before (within 48 hours of) the scheduled appointment time. Please contact NBE directly at examination@echoboards.org if an event arises that requires an appointment to be modified less than 48 hours before the scheduled time.

- **Via phone** (10 USD fee): Call (800) 869-4102, 7:00 am to 7:00 pm, Central Standard Time, Monday through Friday (Outside of the U.S. (952) 681-3789).
- **Via internet** (no fee): Go to www.pearsonvue.com/nbe

Exam Day

The only people admitted into the examination room are

1. Test Administrators
2. Authorized Candidates

Identification (ID) Requirements

- The first and last name that the candidate uses to register must match exactly the first and last name on both ID's that are presented on test day.
- All ID's required must be issued by the country in which the candidate is testing. If the candidate does not have a qualifying primary ID issued from the country they are testing in, an International Travel Passport from their country of citizenship is required, along with a secondary ID.
- Candidate is required to present two forms of original (no photo copies), valid (unexpired) ID's; one form as a primary ID (government issued with name, recent recognizable photo, and signature) and one form as a secondary ID (with at least a name and signature, or name and recent recognizable photo).

Primary ID:

- International Travel Passport
- Driver's license
- Military ID (including spouse & dependents)
- Identification card (national/state/province identity card)
- Alien registration card (green card, permanent resident, visa)
- Local language ID (not in Roman characters) – accepted only if issued from the Country the Candidate is testing in

Secondary ID:

- Any ID containing at least name and signature, or name and recent recognizable photo that meets above ID requirement
- In Japan, a valid Blue Japanese Health Card is acceptable

[Click here to view Pearson ID Policy.](#)
